

CECP Dean's List

To recognize and reward students who demonstrate excellence in their classes, CECP will acknowledge these students on the Dean's List. Full-time students with a 3.80 unweighted semester GPA, or above, at the end of each semester will be placed on the Dean's List. Eligible students must be full time and enrolled in at least 4 classes (defined as 4 high school periods, 4 college classes, or any combination) or be enrolled in at least 10 college credits. Eligible students must pass all classes and have no behavioral or academic integrity violations. Honoring students by unweighted GPA recognizes students' excellence in their classes wherever they are, whether they are in high school or college classes.

The CECP Dean's List is aligned with Colorado Early Colleges' updated policy, which was approved by the CEC Board on August 1, 2018.
