- CEC will only add courses to the transcript that correspond to the student's grade level upon entering CEC, based on the following chart. Exceptions are made only for 5th year seniors to have four previous years included.

- Part-time student transcripts with previous courses from other institutions will not be posted to CEC's transcript.
- Part-time students approved to go to full-time status will have 30 days from the date of the approval to submit their final transcript.

- Course credit is granted from the original transcript submitted.
- Each semester credit (.5) represents at least 60 hours of student work or at least 50% completion of a typical textbook.
- Each full year credit (1) reflects at least 120 hours of student work or at least 90% completion of a typical textbook.
- Transferred courses, generally, are awarded .5 credit per semester. On average, students will be granted 5-7 credits per year.
- Credit will only be granted from homeschool transcripts that are signed and dated by a parent/guardian.
