The CEC Governing Board (Board) and the Chief Executive Administrator (CEA) will provide fiscal oversight. The Board vests its authority in the CEA to create and carry out all appropriate policies and procedures to effectuate the Board's mission and intent.

Policy: CEC's books shall be maintained in accordance with Generally Accepted Accounting Principles (GAAP), include budget to actual reports, general ledger details, and detailed journals for all cash receipts and cash disbursements including payroll. There will be a disaster recovery procedure in place for any accounting data/software maintained outside CEC's system. All financial records will be backed up and housed by Specialized Data Systems (SDS), CEC's current financial system or a similar system. CEC shall adhere to all financial transparency posting requirements defined within statute.

Policy: The Board shall approve an annual operating budget for CEC based on the requirements of CEC's charter authorizer. Adjustments to budget categories during the year shall be approved by the Board. The Board will record their approval of total expenditure amount per school in the Board minutes via a resolution noting the expenditures approved by fund. Financial statements will be submitted to the Board for review once each fiscal quarter, at a minimum. The CEA and CEA's designee will prepare and submit an annual budget to the Board based on Board direction and authorizer requirements.

The person preparing accounts payable and reconciling the accounts shall not have signing authority on the accounts. The Board grants signature delegation authority to the CEA to designate a representative for signature on amounts \$50,000 and under. For amounts over \$50,000 the CEA has exclusive signature authority. For all vouchers at least two CEC employees must sign the voucher request. For amounts \$1,000,000 and over, an Officer of the Board as well as the CEA's signature is required on vouchers.

The limits noted above exclude all routine or recurring payments such as rent, utilities, lease agreements, college payments, and all payroll liabilities or contracts once the amounts are approved by the Board and CEA.

The Board grants the CEA or designated representative, authority to open or close accounts subject to restriction of the Board or by state law or regulation. This includes any bank accounts, credit cards, lines of credit, or store membership/credit accounts.

Audits, Tax Filing, and Financial Regulatory Forms

Policy: Independent audits of CEC's financial statements shall be conducted annually by a Colorado State Certified Public Accountant selected by the Board. Annual financial audits will be conducted in accordance with GAAP. Financial regulatory forms shall be completed as necessary by CEC or an accounting firm selected by the Board.

Insurance

Bequests and Contributions, and Restricted Donations/Grants

Policy: Non-restricted bequests and contributions shall be used for operations or special projects as designated and approved by the CEA, CEA designee, or the Board and are consistent with conditions set forth by the Board. Bequests and contributions that are donor-restricted shall be used for the purpose articulated by the donor, except that in no case shall CEC accept any such bequest or contribution for which the donor restriction is not aligned with school priorities or violates any federal or Colorado state law.
