

## **Student Charges and Student Charges Schedule**

Students shall not be charged an instructional charge as a condition of enrollment in any Colorado Early Colleges (CEC) school or as a condition of attendance in any class that is considered part of the academic portion of CEC's educational program. All student charges adopted by the CEA shall be used for the purposes set forth in CEC's annual Student Charges Schedule and will be used only for the purpose for which they were collected.

When publicizing any information concerning any charge authorized to be collected by this policy, the document shall specify whether the charge is voluntary or mandatory, the purpose of the charge, and the specific activity from which the student will be excluded if the charge is not paid.

All charges for Indigent Students shall be waived, including fines and charges for textbooks, workbooks, and expendable supplies required for classes within the academic portion of the educational program. An Indigent Student is defined as any student who is deemed eligible for a Free or Reduced-price Lunch under the income guidelines established by the federal government.
