

# Digital Service Providers

Updated September 30, 2026

Colorado Early Colleges (CEC) uses a number of digital tools and online services to support teaching and learning. In keeping with the Colorado Student Data Transparency and Security Act (C.R.S. 22-16-101 et seq.), this list identifies the providers CEC uses, with links to each provider's privacy policy and terms so families can see how student information is handled.

## Educational Service Providers with Data Privacy Addendum

These providers are used under a contract or data privacy agreement (DPA) that governs how student data is collected, used, and protected. The DPA Status column shows who holds the agreement: **CEC on File** (held by Colorado Early Colleges), **CDE** (Colorado Department of Education), **PPSC** (Pikes Peak State College), **D49** (School District 49), or **Not Applicable**.
